Priority Program: Evolution of Metabolic Diversity (SPP 1152)
Speaker: Professor Dr. Dieter Strack, Halle

Dear Sir or Madam,

Referring to my communication with Professor Strack, I would like to invite you to the 7st colloquium in the framework of the Priority Program „Evolution of Metabolic Diversity“. I am also inviting one or two of your staff members working in your Priority Program project. Registration and program details will shortly be available on the homepage of the SPP 1152 (www.ipb-halle.de/dfg/dfg-spp-1152/homepage/events.htm).

The meeting will take place at:

Leibniz-Institut für Pflanzenbiochemie in Halle
Kurt-Mothes-Saal
Weinberg 3
06120 Halle (Saale)

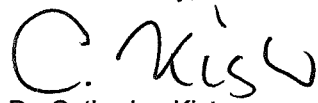

start: 3 April 2008, 1:00 p.m.
end: 4 April 2008, approx. 2:00 p.m.

The DFG reimburses travel expenses according to the German Travel Expenses Act. Claims should be submitted as soon as possible, but not later than six months after the completion of your trip; claims not submitted within this time will be forfeited. Please make use of reduced train fares of the Deutsche Bahn AG wherever possible.

For your convenience we have filled out some parts of the enclosed Travel Claim Form. If you prefer downloading the form from the internet, please be sure to transfer the information for cost center, cost object and the reference number for the meeting.

Please note the information regarding the German Travel Expenses Act and business travel accident insurance.

Yours sincerely,

Dr. Catherine Kistner
