

02.12.2020

## End of year newsletter

The December issue of our IPB newsletter is all about sweet tomatoes and effective toothbrushes. There is also exciting information for all fungi friends: From February 2021 on, [Wolfgang Brandt](#) offers lectures and excursions to the mushroom kingdom. Interested parties will then have the opportunity to take an exam to become a fungi expert.

**But read for yourself!** If you would like to receive the newsletter directly please write me a short [mail](#) ([Sylvia Pieplow](#)) and I will add you to my mailing list.
