## Thai delegation visits the IPB

Five guests from the *Thailand Center of Excellence for Life Sciences* visited the IPB and exchanged knowledge and expertise on substance libraries and databases with the institute's experts.

On November 9th, 2017, a five-member delegation headed by Dr. Sirasak Tepakum from the *Thailand Center of Excellence for Life Sciences (TCELS)* visited the IPB. Managing director Prof. Steffen Abel welcomed the Thai guests. The delegation acquainted themselves with the IPB's activities and expertise in substance libraries (especially with regard to plant and fungal natural products), databases and screening. They expressed interest in establishing a possible future collaboration.
