

Symposia and Colloquia

The IPB regularly hosts various colloquia and symposia. On the following pages you will find information about our events.

Lectures/Colloquia

Lecture events such as the IPB Seminar are open to the public and interested parties are welcome. [More information...](#)

Plant Science Student Conference (PSSC)

The PSSC is a conference of doctoral students for doctoral students. The IPB in Halle alternates with the IPK Gatersleben in hosting the conference, which has been held annually since 2005. [More information...](#)

Leibniz Plant Biochemistry Symposium

Since 2015, the IPB organizes the Leibniz Plant Biochemistry Symposium in Halle every summer. [More information...](#)
